Year 10 Work Experience 2020

Year 10 were given their Work experience documentation for 2020 on Thursday 30th January. Parents please ensure that your child has shared this documentation with you. The sooner you and your child organises Work Experience the better the chance they will have in obtaining the employment they are hoping for. All documentation is also available in Google classrooms which was shared with Year 10 on Thursday. Please see Mrs Allport if you do not have the class code.

The Work Experience Program is one of the most successful and popular features of the Careers Program in school. It's all very well to talk about the nature of various occupations and the world of work in general, but nothing is quite as revealing as first hand experience. Work Experience allows students this first hand experience, but also gives the opportunity to gain from the experience of those people with whom they are working with. Many students will also return from Work Experience with a better appreciation of the connection between school and their future ambitions.

2020 Work Experience Dates

Term 4: Week 9: December 7th – December 11th, 2020

If students are unable to attend Work Experience during the week of 7th to 11th Dec 2020, students may organise an alternate week as long they have no Assessment Task commitments.

The programs activities have been developed to provide insight into the training required, as well as giving students the opportunity to experience Army lifestyle as a whole, encouraging them to consider the Army as a career option.

The program at ALTC will be run from 27 April-01 May 2020 and the program at RMC will run from 3-7 May 2020.
